Note: The color chart shown in this brochure was created to come as close to the actual product color.
Due to the printing process, some colors may not accurately reflect the actual product color.

Step 1

Sanitize hands using Christrio's Basic One Wiping Solution to cleanse all nails thoroughly. Wait until all nails are completely dry to continue.

Step 2

Use the Q.Gloss color of your choice and apply a thin coat of Q.Gloss onto each nail.

Step 3

Cure nails under an LED or UV lamp for 30 seconds to 1 minute.

Step 4

Apply a second layer of Q.Gloss over the recently cured nails if desired. Go ahead and repeat the curing process for another 30 sec - 1 min.

Step 5

Enjoy the beautiful & long lasting color!
